This statement sets out the steps we are implementing to combat slavery and human trafficking. We remain committed to further improving our practices in the future to combat slavery and human trafficking.

### **ORGANISATION STRUCTURE**

We are a communications infrastructure and media services provider, operating at the heart of the broadcast, satellite communications, and smart metering markets. We're at the forefront of network solutions and services in the digital world. We provide much of the infrastructure behind television, radio satellite communications and smart metering in the UK and have a presence in Ireland & mainland Europe.

During the financial year ended 30 June 2023, Arqiva Limited and its subsidiaries, Arqiva Muxco Limited, and Arqiva Smart Metering Limited were part of the Arqiva group with head offices in the UK and over 1288 employees. We operate in the UK and Europe.

Arqiva Limited (and its subsidiaries), Arqiva Muxco and Arqiva Smart Metering Limited each have an annual turnover of in excess of £36 million.

### **OUR SUPPLY CHAINS**

The Arqiva Procurement team works in partnership with our suppliers, ensuring we meet our internal customer needs. The Arqiva values are core to how we interact with suppliers whether a high-volume preferred supplier or one-time only supplier.

### **OUR POLICIES ON SLAVERY AND HUMAN TRAFFICKING**

We are committed to ensuring that there is no modern slavery or human trafficking in our supply chains or in any part of our business. Suppliers are required to comply with our Supplier Code of Conduct, which reflects our commitment to acting ethically and with integrity in all our business relationships and to implementing and

enforcing effective systems and controls to ensure slavery and human trafficking is not taking place anywhere in our supply chains.

#### **DUE DILIGENCE PROCESSES FOR SLAVERY AND HUMAN TRAFFICKING**

As part of our initiative to identify and mitigate risk we:

- aim to identify and assess potential risk areas in our own business and our supply chains;
- try to mitigate the risk of slavery and human trafficking occurring in our own business and our supply chains;
- monitor potential risk areas in our own business and our supply chains;
- where possible we build long standing relationships with suppliers and make clear our expectations of their business behaviour;
- require our suppliers to comply with the Modern Slavery Act 2015 and have their own suitable anti-slavery and human trafficking policies and processes; and
- encourage the reporting of concerns and support the protection of whistle blowers.

#### **SUPPLIER ADHERENCE TO OUR VALUES**

We have zero tolerance to slavery and human trafficking. We expect all those in our supply chain to comply with those values and our Supplier Code of Conduct.

Our Procurement team, reporting into our CFO, is responsible for promoting and ensuring compliance with the Modern Slavery Act 2015 as part of our supplier relationships.

#### **TRAINING**

Having previously trained all staff in 2022, a refresher training course was rolled out across the business in January 2023 and will be rerun again in January 2024.

#### **OUR EFFECTIVENESS IN COMBATING SLAVERY AND HUMAN TRAFFICKING**

We will use the following key performance indicators (KPIs) to measure how effective we have been to ensure that slavery and human trafficking is not taking place in any part of our business or supply chains:

- use of robust supplier selection process including supplier questionnaires and compliance with Arqiva's Supplier Code of Conduct;
- use of our systems to ensure that purchase orders and payments to suppliers are limited to those who comply with our standards.

#### **STEPS TAKEN DURING THE FINANCIAL YEAR TO 30 JUNE 2023**

In the past financial year, we have taken the following steps to ensure that slavery and human trafficking is not taking place in our supply chains, and in any part of our own business:

- a) We continue to run our qualification process for all suppliers:

One Time Only suppliers (low value transactions less than 3% spend in FY23) all use our standard Purchase Order T&Cs, which includes a mandatory compliance clause covering Modern Slavery and Human Trafficking Laws.

Suppliers with ongoing relationships are all required to qualify via our e-procurement system. This process includes background checks and either (a) confirmation of acceptance of the Arqiva Supplier Code of Conduct (which covers modern slavery and human trafficking); or (b) demonstration that the Supplier has its own equivalent policies covering modern slavery and human trafficking. Purchase Orders cannot be placed with new ongoing suppliers before the confirmation has been given.

- b) We continue to limit the number of active suppliers with Oracle to reduce risk. During the financial year to 30 June 2023 we had 877 suppliers registered on Oracle and have traded with only 764 of those suppliers during the fiscal year (N.B. this figure has reduced from 2,300 in 2018).
- c) We continue to use our “Speak Up” reporting website and telephone line to enable people to notify any concerns. These are overseen by the Internal Audit function and regular updates given to the group’s Audit & Risk Committee.
